

# 10 RULES OF CONDUCT WITH THE GRAZING LIVESTOCK

**1. Avoid contact to grazing livestock, do not feed the animals and keep safe distance!**

**2. Keep calm, do not scare grazing livestock!**

**3. Mother cows protect their calves, avoid encounters between mother cows and dogs!**

**4. Always keep dogs under control, lead the dogs on a short leash. If an attack is to be foreseen by a grazer: abate immediately!**

**5. Do not leave hiking trails on pastures and fields!**

**6. When grazing cattle blocks your way - get around with the greatest possible distance!**

**7. Approaching grazing cattle: stay calm, do not turn your back, avoid the animals!**

**8. Already at the first sign of restlessness of the animals - leave grazing field quickly!**

**9. Please pay attention to the fences! If there is a gate: please use it and close it also! Cross the grazing field quickly!**

**10. Meet the people who are working here, the nature and the animals with respect!**
